Organo-phosphate	✓	✗	✗	✗	✓

Ramectin® ... THE ULTIMATE FLEXIBILITY

RAMECTIN® is carefully tailored to meet the harshest field needs, thus research was focused on how to formulate the rafoxanide to accompany ivermectin in a single injection preparation that would deliver the two benefits in one go!

RAMECTIN® can be used in both cattle and sheep.

Ramectin®

Ivermectin & Rafoxanide

1 ML STRIKES THEM ALL

Ramectin® ... FOR A COST-EFFECTIVE TROUBLE-FREE REGIME...

With its easy administering techniques and single regimen, RAMECTIN® is insured to save labor and money, contrary to other costly multi-medicine regimes.

Body weight (kg)	Dose volume (ml)	Dose per Pack		
		(20 ml)	(50 ml)	(100 ml)
Up to 25 kg	0.5	40	100	200
26-50	1	20	50	100
51-75	1.5	13	33	66
76-100	2	10	25	50
